New IAC World Directory available

The new 1986 edition of the IAC World Directory of Gay/Lesbian Groups of Alcoholics Anonymous is now available. Copies are \$2.50 (US) each, and suggested donation rates for bulk orders (for groups or roundups) are \$2.50 each for 1-5 copies; \$1.75 each for 6-10 copies; and \$1.50 each for 11 or more copies. Write to us at our P.O. box number.

IAC NOTES

The next business meeting of the Council will be held at the Chicago '86 Round-Up (their first). At that time elections for new officers will take place and other Council business will be conducted. If you're coming to the roundup, be sure to attend: IAC is always in need of more volunteers.

Many thanks to Beverly V. of N.Y. who has faithfully been forwarding IAC mail to all its many and far-flung volunteers (no mean feat, considering volume and breadth of membership). Regina S. of Brooklyn is the current volunteer. Many thanks also to Nancy T. and Rich W. for all their work over the years on the IAC Directory.

Clarification - It should have been noted that the article "Acceptance Is a Two-Way Street", by P.J. of Los Angeles, California, was reprinted from the April 1985 Grapevine.

IN MEMORIAM - IAC notes with sorrow the death of Ronald K., who will be missed by us at the Council as he is by his friends in Buffalo.

STORIES: An important part of a proposed pamphlet being developed by IAC's Literature Committee will be stories from lesbian and gay AA members sharing their experience, strength and hope. We need your stories for this undertaking, so please spread the message. If you have over a year of sobriety, write your story (500-750 words / 2-4 double-spaced pages) and send it to us as an exercise in the twelfth step. Tell us how it was, what happened, and how it is now. Send your stories to the IAC Literature Committee at our address. No story will be published without additional written consent, and all will remain anonymous.
